Product Description

Husqvarna 3120 XP® Chainsaw - POWERHEAD ONLY

Professional 119cc chainsaw built for felling the largest trees

Husqvarna's largest chainsaw is one of the most powerful in the world. The primary applications for the 3120 XP® are extreme logging, portable saw mills and stump work. This saw is designed to pull the chain on our longest bars-- up to six feet! Like all Husqvarna chainsaws, the 3120 XP® has a superior power-to-weight ratio. Thanks to Smart Start®, LowVib™ and other premium features, this heavy-duty chainsaw is surprisingly easy to start and operate.
