Product Description

Husqvarna 545 Mark II Chainsaw 20"

Best in class cutting capacity.

The second generation of Husqvarna's 545 chainsaw is a 50cc unit that's ready for your felling, limbing and bucking of small and midsize trees. Designed for professional forestry and tree care crews, this durable saw has improved power and a slimmed-down design. A host of innovative features guarantee comfortable and efficient operation, season after season.
