Product Description

Vitacci Mini Commander 110 ATV

The Vitacci Mini Commander 110cc ATV is a youth-focused quad with a 4-stroke, air-cooled 110cc engine, fully automatic transmission (with optional reverse via hand shift), electric start, and chain drive, making it easy for beginners, featuring safety extras like a remote kill switch and speed limiter, front drum/rear hydraulic brakes, and rugged suspension for off-road fun, balancing power with control for younger riders.
