Product Description

Vitacci Magnum 125 With Reverse Go Kart

The Vitacci Magnum 125 Go-Kart with Reverse is a youth-friendly kart designed for riders who want the thrill of racing with the safety and simplicity of a mid-size machine. Powered by a 125cc 4-stroke engine, it delivers smooth, reliable performance that's perfect for backyard tracks, open fields, or trail adventures.

What sets the Magnum apart is its automatic transmission with reverse gear—making it easy for beginners to drive and maneuver without worrying about complicated shifting. The electric start system ensures quick ignition, while the sturdy frame, roll cage, and safety harnesses keep riders secure during every ride.
