Product Description

Encore EW32LSE12 32" Walk Behind Mower

The Encore EW32LSE12 32" walk-behind mower is built for operators who need compact maneuverability without sacrificing commercial-grade performance. Powered by an efficient 11.7 HP Loncin engine, this unit delivers dependable cutting strength in tight spaces such as residential yards, gated properties, landscaping beds, and smaller commercial lots. Its electric start system ensures simple, no-nonsense ignition, while the belt-driven transmission offers smooth engagement, consistent traction, and easy maintenance over time.
