Product Description

Husqvarna 130 Gas Chainsaw

Reliable chainsaw performance for various garden tasks

Powerful doesn't have to mean big with the Husqvarna 130. This reliable gas saw features our proprietary X-TORQ® engine to deliver superior performance, increased fuel efficiency and low emissions. Air Injection™ technology improves engine life by expelling larger dust and debris particles before they reach the air filter. And LowVib® technology keeps this saw comfortable to use, no matter the task.
