Product Description

Husqvarna K1 Pace 14" Power Cutter

The K 1 PACE battery cutter has the power and performance you expect from equivalent petrol-powered cutters. Equipped with X-Halt™ brake function, the K 1 PACE is capable of stopping the rotation of the blade in fractions of a second for operational safety. Ergonomic and user-friendly with low vibrations, the machine is optimally balanced and creates zero direct emissions. With built-in connectivity so you can easily monitor machine location, runtime, service intervals and receive wireless updates through FOTA (firmware over the air). Powered by Husqvarna PACE battery system with high power and fast charging for impressive productivity and a well-suited match with our specially designed battery blade range for maximized cutting depth and optimized performance. Suitable for concrete pipes, concrete garden plates, cinder blocks etc.
